Important Notification: Change in Logistics Service Provider

Dear Valued Partner,

We hope this message finds you well. We are writing to inform you of an important change in our logistics network that will affect future Bealls shipments picked up from your location(s).

Effective October 1, 2024, all Bealls, Inc shipments that previously routed through Central Transport will be transitioning to a new consolidation solution for the Central Region of Domestic North America. This change is part of our ongoing efforts to enhance our supply chain efficiency and ensure the timely and reliable delivery of goods.

Key Details of the Change:

- New Logistics Service Provider: Hub Group
- Hub Group Support Contact: bealls@hubgroup.com
- Effective Date: October 1, 2024
- Coverage Area: Central Region of Domestic North America.
- Impact on Shipments: Hub Group will coordinate pickup from your location. Central Transportation will no longer coordinate pickup from your location.
- Routing Process Change: After routing your shipments through Control Tower all Bealls shipments must be confirmed through the Hub Connect Portal.
- Carriers: Hub Group will manage and coordinate all pickups from your location through several different less-than-truckload (LTL) carriers, and/or dedicated truckload (TL) carriers, depending on shipment volume.

What You Need to Do:

1. Bealls Hub Connect Training: Hub Group will contact you directly for an introduction and to provide meeting links and different training dates/times. **Please complete training before September 27, 2024.**

2. Bill of Lading (BOL): Once your shipment is confirmed in the Hub Connect Portal, Hub Group will provide you with a completed BOL via email and confirm carrier information. **The Hub Group BOL must be used on all shipments.**

Our commitment to maintaining an efficient supply chain remains unwavering. We believe this transition will improve our service and provide you with enhanced support in managing your logistics needs.

Should you have any questions or require further clarification, please do not hesitate to contact our logistics department at Bealls_IB_Route@beallsinc.com .

Thank you for your continued partnership. We appreciate your understanding and cooperation during this transition.

Sincerely,

David McLennan
