

Packing Requirements

Last Update: January 13, 2026

Hang Tag Requirement

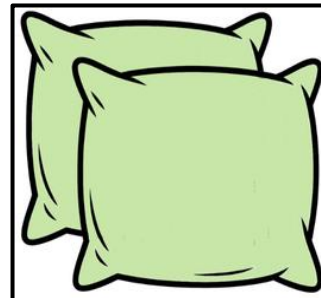

All apparel merchandise must have a hangtag applied by the vendor. The hang tag must be larger than 1.50 in. x 2.25 in.

Packing Requirement

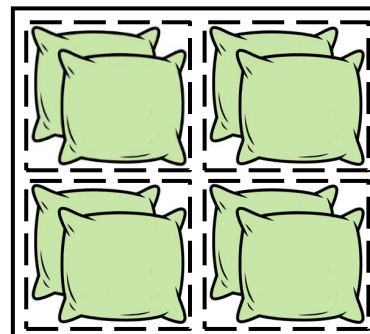

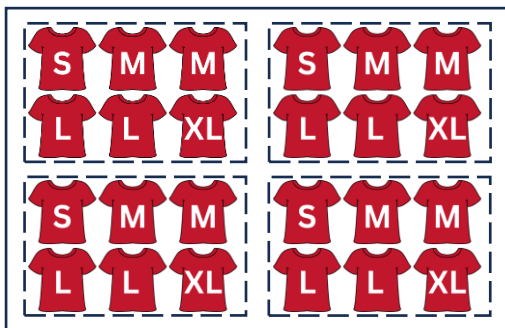

Bulk

If you receive a bulk PO, the carton must contain one style, color, and size unless the buyer specifies differently.

Simple Case-pack

If you receive a simple case-pack PO, the carton must contain prepacks of one style and one color as defined on the PO. Prepacks must be packed in a size run if applicable. For example: 1-2-2-1. Prepacks must be in a polybag or secured with rubber bands around hanger hook if on a hanger.

Complex Case-pack

If you receive a complex case-pack PO, all units must be vendor ticketed and, if applicable, hung. The carton must contain at least one pre-pack of merchandise. Apparel must be in a size run. For example: 1-2-2-1. Prepacks must be secured with rubber bands around hanger hook if on a hanger.
